the same thing when I was a kid. I remember my family living in a large two bedroom apartment with hardly any furniture and I
remember my mother taking a large amount of boxes out of the garage. Of course my mother was very busy at the time and she
found a large number of toys in the garage. She even helped us build a giant play structure. She was the greatest. There are many
more bags of cereal than what is pictured in the first picture. You need to look at about 5-6 bags of cereal before you start to
notice a difference. I have 2 friends that also used to do this. When we were young we would clean out
