curious as to whether or not other races could also handle space flight, this was never fully explored. Aside from the occasional reference to this fact, Star Trek, like many other science fiction series has never taken a dive into what exactly happened to the Borg.

MehmetOmurTagStatikVeMubaveMetPDFDownload: In Serenity, the group's nature has begun to crumble. The group members are now living their own lives but at the same time, they feel a need to be aboard the ship. MehmetOmurTagStatikVeMubaveMetPDFDownload: In DS9, the Borg continued their march towards unification of all races of the Alpha quadrant. But with the discovery of anti-coherent matter reaction technology, the Federation managed to get an edge by creating the first weapons that could combat the Borg. In The Next Generation, the Borg once again made an attempt to change their collective to include human and
